

As a friend of Marlboro, we wanted to let you know about two new additions to the Marlboro Unsmoked Bear collection -- The Marlboro Leather Daypack and the silver tip belt.

Designed with you in mind, both of these items feature the quality, ~~durability~~ durability and workmanship that millions of smokers have come to expect from our bear -- and both are yours just by saving the miles on the sides of Marlboro packs.

But unlike our other bear items, the daypack and belt are only available to a select few -- so take a look inside to take advantage of this special offer. And use the coupons below to help you start saving the miles.
